Earned Income Tax Information for Residents of the Borough of Bangor

In Pennsylvania, the General Assembly has empowered political subdivisions of the Commonwealth, at the local level, to levy, assess, and collect certain types of taxes for general revenue purposes. The authority for levying these non-realty taxes was granted to local school districts and municipalities in 1965 through the passage of the Local Tax Enabling Act (LTEA), commonly referred to as ‘Act 511’. The rate of Earned Income Tax (EIT) for the Borough of Bangor is (1.23%) and is levied on gross wages and/or net profits from a business or profession. The Borough and school district share EIT revenue with 0.7% allocated to the school district and the remaining 0.53% allocated to the Borough.

Keystone Collections Group is the appointed earned income tax administrator for the Borough. As the appointed earned income tax administrator Keystone Collections Group is charged with the duty of collecting the Borough’s EIT taxes. This includes collecting the tax, establishing rules to fairly enforce such tax and creating accurate tax and accounts for each tax payer.

All residents must complete this form, regardless of your employment status (unemployed, retired, college student, military personnel, or homemaker). If you have recently moved, please give your current and former address.

Most resident taxpayers will have this tax deducted by their employers. Although, if you work in a jurisdiction where it is not withheld, or you are self-employed, you will have to pay the tax directly to Keystone Collections Group. Your completed registration form will be forwarded to Keystone Collections Group, who will create an accurate tax account reflecting your current reporting status and send you the necessary forms.

We appreciate your cooperation in completing the registration form. If you have any additional questions you may contact Keystone Collections Group at 724-978-0300.
