- B. Cancellations. If such hazardous or objectionable conditions develop during a day when burning is being conducted, existing permits may be canceled by the Borough Manager, or his designate, or a law enforcement officer. Upon notification that hazardous conditions have developed and all burning is to be canceled, residents

conducting burning shall, as soon as possible following such notification, fully extinguish all active fires, including embers thereof.

- C. Extinguishing fires. If the Borough Manager, his designate, or a law enforcement officer determines any burning is in violation of this Ordinance, or to be hazardous to the health or welfare of the Borough residents, the person/s conducting the burning shall, upon notification, fully extinguish all active fires, including embers thereof.
