

**BOROUGH OF BANGOR  
COUNTY OF NORTHAMPTON  
COMMONWEALTH OF PENNSYLVANIA  
ORDINANCE NO. 1011**

**AN ORDINANCE ADOPTING THE VEHICLES, TRAFFIC AND PARKING  
REGULATIONS**

**WHEREAS**, after discussion Borough Council determined it is necessary to adopt this Ordinance to provide for the safe use of streets within the Borough, provide certain regulations and restrictions regarding the use of vehicles on streets and provide enforcement of violations,

**NOW, THEREFORE**, it is hereby **ORDAINED** and **ENACTED** by the Borough Council of the Borough of Bangor, County of Northampton and Commonwealth of Pennsylvania, as follows:

**Article I. General Regulations**

Section 1. Definitions and Interpretation.

- A. Words and phrases, when used in this Ordinance, except for sections or articles to which different or additional definitions apply, shall have the meanings ascribed to them in the Vehicle Code (the Act of June 17, 1976, P.L. 162 No. 81), as amended, except that, in this Ordinance, the word "street" may be used interchangeably with the word "highway," and shall have the same meaning as the word "highway" as defined in the Vehicle Code.
- B. The term "legal holidays" as used in this Ordinance shall mean and include: New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day and Christmas Day.
- C. In this Ordinance, the singular shall include the plural, the plural shall include the singular, and the masculine shall include the feminine.

Section 2. Manner of adopting permanent traffic and parking regulations.

All traffic and parking regulations of a permanent nature shall be enacted as ordinances, as parts of ordinances, as amendments to ordinances, or as amendments to this Ordinance, except where the law specifically authorizes less formal action.

Section 3. Continuation of existing regulations.

The provisions of this Ordinance, so far as they are the same as those of ordinances and regulations are in force immediately before the enactment of this Ordinance, are intended as a continuation of those earlier ordinances and regulations, and not as new enactments. Nothing in this Ordinance shall affect any act done or liability incurred, or any suit or prosecution pending or to be instituted under any of those repealed or superseded ordinances or regulations.

Section 4. Temporary and emergency regulations.

- A. The Mayor shall have the following powers to regulate traffic and parking temporarily and in time of emergency:
  - (1) In the case of fire, flood, storm or other emergency, to establish temporary traffic and/or parking regulations; and
  - (2) In the case of emergency or to facilitate public works, or in the conduct of parades, processions or public events, to restrict or prohibit traffic and/or parking in limited areas for periods of not more than 72 hours.
- B. Such temporary and emergency regulations shall be enforced by the Police Department in the same manner as permanent regulations. Any person who shall operate or park a vehicle or tractor in violation of any such regulations, or who shall move, remove, destroy, injure or deface any sign or marking erected, posted or made to give notice of any such regulation, shall, upon conviction thereof, be subject to the penalty set forth in the law or elsewhere in this Ordinance for a violation of such nature, and, in case of a violation for which no specific penalty is set forth in the law or elsewhere in this Ordinance, to a fine of not more than \$25 together with costs of prosecution.

Section 5. Experimental regulations; violations and penalties.

The Borough Council may, from time to time by resolution, designate places upon and along the highways in the Borough of Bangor where, for a period of not more than 90 days, specific traffic and/or parking regulations, prohibitions and restrictions shall be in force and effect, and shall designate such locations by proper signs and markings. Such regulations, prohibitions and restrictions shall be effective as if they had been specified in this Ordinance. No person shall operate or park a vehicle or tractor in violation of any such regulation, prohibition or restriction, and no person shall move, remove, destroy or deface any sign or marking erected, posted or made by authority of this section. Any person who shall violate any provision of this section shall, upon conviction thereof, be subject to the penalty set forth in the law or elsewhere in this Ordinance for a violation of such nature, and in case of a violation for which no specific penalty is set forth in the law or elsewhere in this Ordinance, to a fine of not more than \$25 together with costs of prosecution; provided, the purpose of this section is to allow for the test and experimental determination of the feasibility and desirability of permanent changes in the ordinances of the Borough of Bangor relative to traffic and parking.

Section 6. Traffic on streets closed or restricted for construction, maintenance or special events.

- A. The Borough Council shall have authority to close any street or specific part of a street to vehicular traffic and to place barriers or station police officers at each end of the closed portion, while construction or maintenance work is under way or a special event is being conducted on the closed portion. It shall be unlawful for any person to drive a vehicle upon any such closed portion.

- B. The Borough Council shall have authority to establish a restricted traffic area upon any street where construction or maintenance work is underway and to station flagmen at each end of the restricted portion. It shall be unlawful for any person to drive a vehicle upon any such restricted traffic area at any time when the flagman is displaying a sign directing that vehicle to stop, or is signaling that vehicle, by a flag or other device, not to proceed.
- C. Any person who violates any provision of this section shall, upon conviction, be sentenced to pay a fine of \$25 and costs of prosecution.

Section 7. Crosswalks, Safety Zones, Traffic Lanes, Parking Spaces and Other Signs or Markings.

Borough Council or its designee shall have the power and authority to establish, change and abolish, and to designate by appropriate markings and/or signs, crosswalks, safety zones, tow away zones, traffic lanes and parking spaces, as well as to install signs and/or to place markings alerting drivers of provisions of the laws of Pennsylvania and of the Ordinances of the Borough.

Section 8. Authority of police officers.

The police officers of the Borough of Bangor are hereby authorized to direct traffic on the highways of the Borough and at intersections thereof and to otherwise enforce the provisions of this Ordinance.

Section 9. Authorization for use of speed timing devices.

- A. The Borough Police Department is hereby authorized to use all speed timing devices for the determination of speed of a motor vehicle as are approved or will be approved by the Department of Transportation of the Commonwealth of Pennsylvania, in accordance with Title 75 Pa.C.S.A. § 3368 as hereafter amended, supplemented, modified or reenacted.
- B. This section authorizes the use of said devices upon all highways within the Borough, be they Borough, county or state highways, and does also hereby elect to exercise all powers granted to "local authorities" under the Vehicle Code of the Commonwealth of Pennsylvania, Title 75 Pa.C.S.A. § 6101 et seq. (1977) as hereafter amended, supplemented, modified or reenacted by the General Assembly of Pennsylvania.
