CURBSIDE LEAF COLLECTION:

November 2 – November 25th *(with the exception of weekends and Veteran's Day)*

Please rake all leaves to the curb. The Public Works Department will not empty bags or other containers; this is the responsibility of the resident. Branches, shrubbery, finely mulched leaves, grass, garbage, pet waste and other building materials will not be picked up.

Leaves will not be collected from private property. Please place leaves curbside to ensure proper pickup.

Do not place pieces of wood, steel, rocks, or concrete on the leaves to hold them down. These objects will cause damage to the leaf pickup units and put them out of service at a great expense of time and money to the Borough and its residents.

To help facilitate the picking up of the leaves, please keep all vehicles away from the area where the leaves are piled. The Public Works Department will not rake piles of leaves out from between parked cars or from under them.

YARD WASTE RECYCLING:

A year round drop off container is located at Bangor Memorial Park for leaves, branches, (1-1/2" in diameter and 3' long) and shrubbery. All leaf/yard waste must be contained in brown biodegradable bags which are available for purchase at your local hardware store. No plastic bags will be accepted.

The yard waste dumpsters have been restored with revised hours to help prevent illegal dumping (Wednesdays from 8 am through Fridays at 2pm). The dumpsters will have to be removed again if illegal use/dumping continues: **NO GRASS, DIRT, BAGS, TRASH OR OTHER DEBRIS ALLOWED.**

Message from Mayor David McCloughan

Dear Bangor Residents,

As summer comes to an end, I want to take a moment to share a few updates from around our Borough and reflect on what makes our community so special.

Our town has been bustling with activity. From families cooling off at the public pool and gathering for movie nights in the park, to community events at Bangor Memorial Park, it has been wonderful to see neighbors connecting and making memories all season long. Projects across the Borough continue to move forward smoothly, thanks to the dedicated work of our road crews, staff, and community volunteers.

A special thank you goes out to our Parks and Recreation volunteers for all their hard work organizing events that bring our community together. We also extend our sincere gratitude to our volunteer firefighters, fire police, and all first responders who work tirelessly day and night to keep Bangor safe. Their commitment to our town is truly second to none.

We have plenty more planned as we head into the fall, and we welcome your voice and participation. Borough council meetings remain open to the public, and we always encourage residents to stay involved in shaping Bangor's future.

Thank you for your continued support and pride in our home. Wishing you all a safe and happy end of summer!

Warm regards,

David McCloughan

POLICE DEPARTMENT

FOR EMERGENCIES DIAL 911 | FOR NON-EMERGENCIES DIAL 610-759-2200

Mission Statement

The Bangor Police Department shall protect and serve the community by maintaining order, preventing crime, and enforcing the law with integrity and professionalism. As proud members of the law enforcement profession, we endeavor to conduct ourselves in an honorable manner worthy of the community's respect.

About the Bangor Borough Police Department

The BPD is located 30 N. 1st Street in Bangor Borough, Northampton County. The BPD operates 24 hours a day, 7 days a week. You may contact the BPD by calling the Northampton County Control Center at (610) 759-2200 for non emergencies. For emergencies only dial 911.

The BPD is staffed by the Chief, 7 full time patrol officers and 4 part-time patrol officers. Each officer is involved in all aspects of modern law enforcement including, but not limited to: crime deterrence, investigation of criminal activity, apprehension and prosecution of criminal offenders, investigation of motor vehicle accidents, and the enforcement of Pennsylvania's criminal and traffic laws.

In addition to the basic law enforcement duties described above, some officers participate in specialized assignments such as the inter-departmental Special Response Team, Motor Carrier Enforcement, Accident Reconstruction, and the Northampton County Drug Task Force.

Patrol Division

Patrol is the backbone of any police department. The Bangor Borough Police Department runs a very aggressive patrol program. An aggressive patrol program results in higher crime deterrence, the discovery of in-progress criminal activity, and a higher rate of criminal offender apprehension. Ultimately, this leads to a lower crime rate and a better quality of life within the borough. All police officers in the BPD perform duties in the Patrol Division. The Patrol Division utilizes 4 marked police cars.

The vast majority of citizen contacts with the BPD are a result of a patrol function, be it responding to a call for service, a traffic stop, or investigating motor vehicle accidents. As such, Patrol is the most highly visible portion of the BPD and the most easily recognized.

Each officer on duty is responsible for patrolling the entire borough, and responding to any and all emergencies or calls for service, as well as assisting neighboring police departments when requested.

OUTREACH PROGRAMS

The Bangor Police Department offers a variety of FREE outreach programs for schools, families and other concerned citizens to take advantage of.

These programs include:

- Tours of the police station
- Trick or Treat Safety for Children
- Eddie Eagle Gun Safety
- Fraud Prevention Programs
